ABOUT US

At G6, we believe in transforming your home into a “Superhome”.

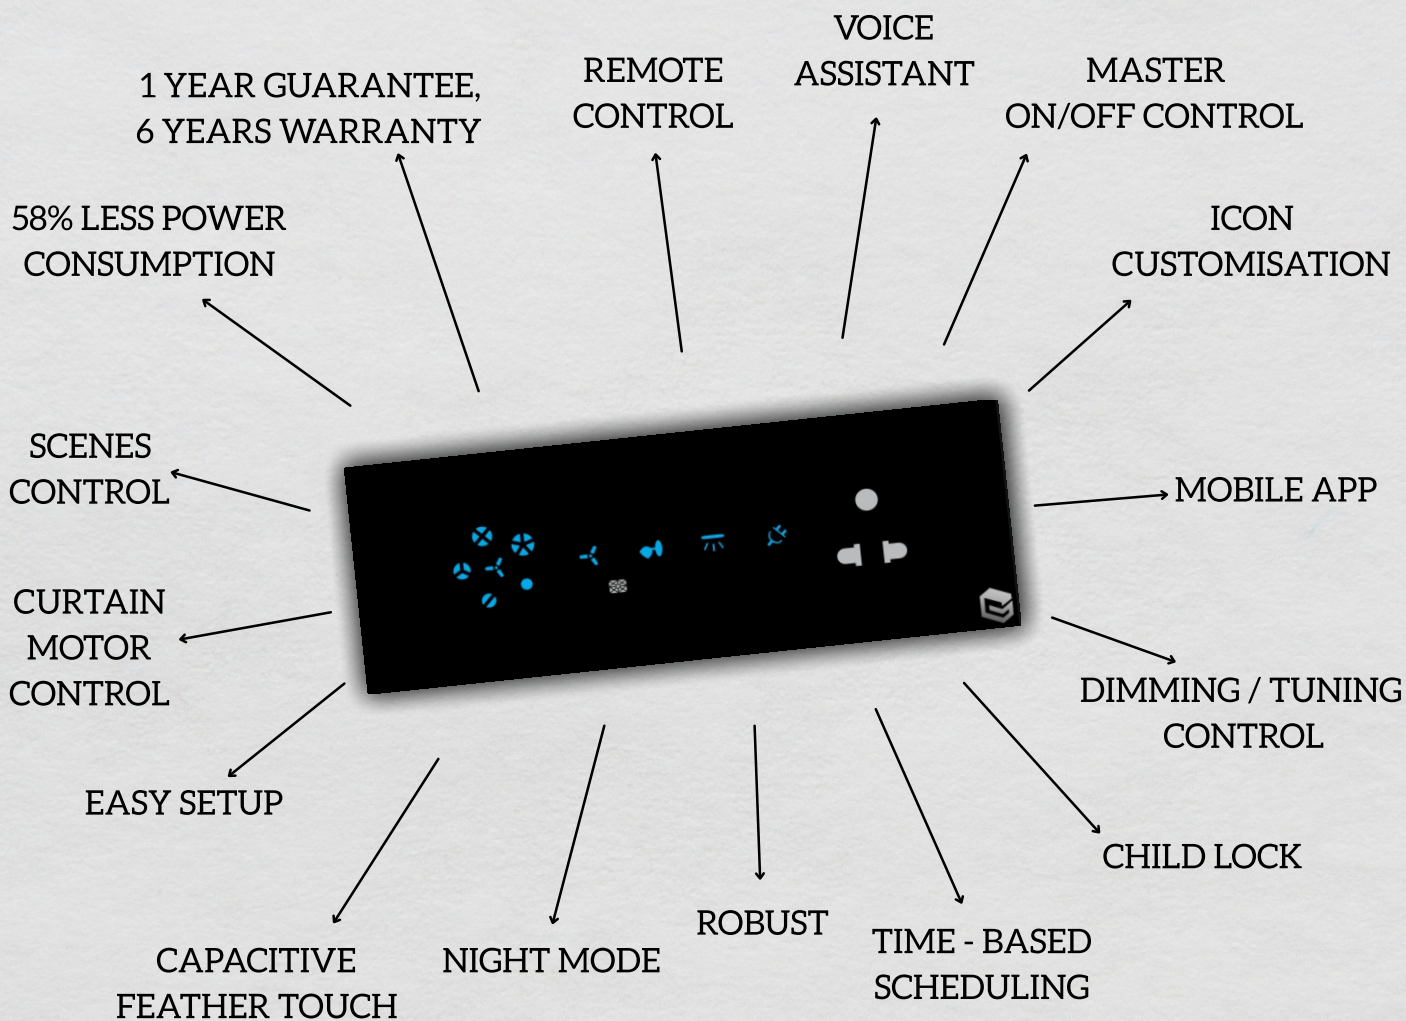

We promise to make your home a masterpiece with products that are true reflection of simplicity, elegance and richness.

Founded in 2020, we are the manufacturers of smart switches with the aim to provide home automation products specifically designed to suit the needs of Indians in the coming days. We are the trend setter in home automation market and our products are consistently awed at.

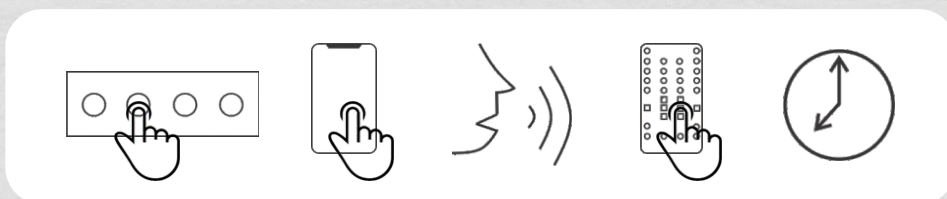

Our in-house passionate R&D team and our ethics assist us in delivering customer satisfaction at every stage.

WHY G6?

CHOOSE HOW TO CONTROL IT
